

Peak Services delivers deep expertise in the local government sector. We understand the business of councils. Challenge us.

## YOUNG PROFESSIONALS PROGRAM (2 days)

### SYNOPSIS

This 2-day program is a unique opportunity for future local government leaders. The Young Professionals Program is designed to tap into their personal and professional skills and to help them develop as future council leaders.

Young Professionals will have participants working as a group addressing professional challenges; solving issues; creating solutions; creating innovative thinking; building action plans and building a platform to create supportive and productive working environments.

With over 20 years as a professional facilitator, coach, speaker, MC and trainer, Gerald Pauschmann engages his audience with his motivating and exciting delivery sprinkled with humour and real-life scenarios.

### SHORT COURSE TOPICS

- Understanding self
- Advanced communication skills
- Developing an effective and motivated team
- Conflict management
- Become the leading advocate for your organisation

### LEARNING OUTCOMES

Gain the right skills and tools to achieve the next step towards your future within local government.'

This program is suited to those who have a passion for personal development and the leadership potential to grow as leaders within local government or other sectors.

### COURSE DETAILS

#### Delivery

Our training course provides participants with an interactive session that includes group discussions, case studies, and question and answer sessions. Customisation is available and based on individual council requirements.
