Peak's Virtual Training

Peak Services is currently using Zoom Virtual Video Conferencing to deliver training. Zoom is in real time with face to face discussions, just like a classroom environment.

For any first-time users of **ZOOM Video Conferencing**, you may like to review this YouTube video.

Also important to note:

- Use Chrome as your internet browser
- Each person, where possible to have their own pc/laptop
- Webcam so we can see each other
- Audio so we can hear each other
- If using Zoom for the first time, you will be prompted to download the Zoom plugin. This takes seconds...and is the click of a button.
