AUDIENCE

This half-day program is suited to Local Laws Officers or other employees who may need to record incidents or provide evidence of negative interactions whilst performing their day-to-day duties.

This program is delivered by Senior Trainer Gregory Lamey.

**In arranging this training, please provide the model and operating guide of your specific BWC to Peak*

COURSE DETAILS

The use of BODY WORN CAMERAS by councils is becoming increasingly prevalent. They provide councils with an independent and objective resource that allows them to capture incidents and interactions between Council Officers and the community.

Body worn cameras help ensure the safety of Council Officers such as local laws officers or other local government employees performing their day to day duties. They also help provide a record of incidents and ultimately accurate evidence of events.
